

## SCSLGA Report for County AGM November 2021

After a difficult 2020, 2021 brought a sense of relief and optimism. However, everything has not been totally back to normal. We have held regular Officers' Meetings and 2 Delegates Meetings on Zoom. They have actually worked well, now we have got used to the technology.

We held one Officers' Meeting and the AGM in person. The Officers have worked well as a team under Yvette Gregg's excellent leadership as President. The Delegates have played an important role forming a link between the Committee and the 460 members.

We will be collecting Subscriptions again for 2022 after not doing so for this year except for new members.

In terms of Competitions, we held a Bowmaker at Cricket St. Thomas and a Better Ball at Brean. They were well run days (thanks to our new Competition Secretary, Janet Handley) but with fewer ladies than normal taking part. Unfortunately, the Stableford at Enmore Park had to be cancelled because of a lack of entries.

The SW Vets Shield matches could not take place because Cornwall and Devon withdrew. However, we have played some Friendly matches and it has been good to get back. We beat Gloucestershire at Gloucester GC, lost to Wiltshire at Long Sutton GC, lost to Hampshire at Royal Winchester GC and halved with Dorset at Ashley Wood. There were a lot of close matches. I organised an extra match at T&P for 2 teams of Somerset Seniors in a Captain v Vice-Captain Challenge. It was a fun day and the match was halved.

Marilyn Kirby has done a great job as Secretary and has agreed to continue for one more year but we need a lady to shadow her and then take over next year. The Association must have a Secretary and whoever takes over will have a lot of support.

It has been an honour serving as the Senior Ladies' Captain for 2 years; thanks to all the Officers for their support and friendship particularly my Vice-Captain, Chris. I'd like to wish her and Carole Paterson a happy and successful year in their roles as Captain and President.

Finally, the SCSLGA would like to congratulate the 1<sup>st</sup> and 2<sup>nd</sup> teams on their successes this year. What great team efforts.

Jill Paul  
Past Captain.
