

25th Anniversary Lunch at Isle of Wedmore Golf Club

28th October 2019

The celebrations started with everyone enjoying a glass of Prosecco very kindly provided by Fay Galley from Bath. She had a 'Hole In One' on the 2nd hole at the Summer Meeting at Worlebury Golf Club.

The dining room was beautifully decorated with balloons, tablecloths and napkins in the SLPC colours.

Then 58 Somerset Lady Past Captains sat down to a simply delicious meal – well done to the catering staff at Isle of Wedmore Golf Club.

Wendy Barker, a founder member, attended. Clubs represented were Long Sutton, Mendip Spring, Isle of Wedmore, Clevedon, Enmore, Weston-super-Mare, Bath, Saltford, The Mendip, Burnham & Berrow, Stockwood Vale, Farrington, Oake Manor, Minehead and Orchardleigh. Many have written saying how much they enjoyed the event.

We were treated to the usual entertaining speech from our Chairman, Sandra Ford.

Another highlight was a wonderful talk from Lesley Organ all about the history of the Somerset Ladies Past Captains. Please see the link on the website to view her speech.

Limited Edition Golf Towels celebrating the 25th Anniversary of our society were given to each person present at the lunch. They are now available through the usual kit channels – price £8.00. Perhaps a gift for your 2020 Lady Captain? Contact Susie Gibbins on her email to secure one.

A great team effort but a special well done to Di Yates, Claire Biggs and Susie Gibbins for all their hard work leading up to the event and on the day.
