

Report to Delegates following Executive Meeting held on Monday 12th January 2026

Following the decision to cancel the Delegates' Meeting on Monday 12th January 2026 after consultation with the delegates, this is a compilation of the reports that would have been presented at the meeting.

Treasurer's Report - Sara Deverell

Attached to email to delegates.

Competition Secretary Report - Angie Frith

All the competitions are now live and can be booked so please do encourage all your members to have a look and start entering.

The posters and details of each are on the relevant competition pages of the SLCGA website. There are links through to the SGU website for booking and I'm delighted to see that entries are starting to come in now.

This year we are combining both SCSLGA 4BBB with our Fowler Brooches and Fowler Lock 4BBB, so we hope to get more entrants. Just a reminder to your Competitions Secretary to designate one of your 4BBB competitors a 'qualifier' for the Combined 125 4BBB on 20th September. There will be prizes for the Fowler Lock, the SCSLGA 4BBB and a special 125 prize for the winning qualifying pair.

We will shortly be thinking about 2027 competition dates and venues. We may ask for your help as delegates to find suitable dates at your club to host one.

The Rogers Cup and Centenary Plate draws have been made and will be available on the website later today. Please contact Michelle for contact details of your opposing team and remember that the team on top in the draw is responsible for arranging the match.

Just a reminder about the calendar of all events on the front page of the website <https://www.somersetladiesgolf.org>, which includes County competitions, Seniors, Past Captains, Juniors, other (intercounty, EG & significant dates) and all your club's Opens. Please send me details of relevant events to compsec@somersetladiesgolf.org and I will include.

Rogers Cup and Centenary Plate draws attached to email to delegates.
