A delegates meeting followed the Committee meeting. Delegates were tasked with the challenge of 'If the SLPC was just commencing what would they like the SLPC to offer its members.

A couple of good suggestions came out of this. One being a similar event to that held by the Interleague for their anniversary celebration. An excellent day enjoyed by all.

The second being a knock-out competition similar to that held by the BDLGA.

Delegates were asked to take this question back to their clubs and submit any further ideas via E:mail to the secretary (slpcsecretary21@gmail.com).
