Report for 2017 SLPC AGM

Match Organiser Report Gwen Cavill

Introduction

I would like to start my report by saying a big thank you to everyone for committing to the SLPC matches – without your continued support we would not be able to field a team.

The SLPC committee is amazing always there to support me and offer guidance when needed.

To all the SLPC delegates who respond to my requests for information especially about availability – thanks for doing this electronically it makes my job so much more manageable.

My last thanks are to all the players who offered availability and kept the dates securely in the diary and let us know if plans had changed – this was so helpful. Thank you to everyone.

What has struck me from match reports so far is the welcome we receive from other counties and the high energy and fun we have with our matches. Our home venues have been wonderful

providing us with good service and good food. Thanks to all the captains of the day who work so hard to make sure we have a full team.

Match Fees

SLPC works hard to keep the match fee at £25 which includes in most cases coffee and sandwiches on arrival, green fee and a two-course meal and coffee. In some cases, SLPC has to subsidise this because Golf Clubs may charge a £30 or more match fee. It is becoming harder to negotiate £25 fee with clubs due to rising costs so SLPC will need to consider different ways to address this.

Thank you for your support and I will be sending out all the information for 2018 in January and will endeavor to get match teams to the delegates by early March. Always remember if for any reason you are unable to play or maintain your place as a reserve it is very important to let the captain of the day know as soon as possible. Thank you.

Thanks to all the delegates for being so crucial in communicating all information to all past captains.

Enjoy your golf

Gwen Cavill
