Present. Sandra Ford, Claire Biggs, Susie Gibbins, Sally Dymock, Linda Johnson, Theresa Munns, Gwen Cavill and Di Yates

We all agreed it was wonderful to have three possible vaccines available for the New Year.

It was agreed by all present that the number one priority was making sure all our events were run with the safety of our fellow members in mind. We will always heed the Government advice that is in place at the time of our events, and the processes in place at the Golf Club we are playing at.

Matches/Spring, Summer and Autumn Meeting (Reports previously circulated)

Too soon to make any decisions on how these events will run presently.

Team Event

Again too soon to make any decisions presently and we will need to be guided by Woodbury Park.

Administration

A bright and cheerful Christmas message to be prepared by the Secretary for agreement and committee members to prepare a short Christmas message for inclusion.

AGM (Sandra's report previously circulated)

Hopefully 2021 AGM will be able to go ahead – again we will be guided by the current Covid situation at that time.

Some refunds outstanding.

Website

The new website is up and running. Sally will be maintaining the website and explained there may be some teething problems, but she is on the case.

Members

The sad passing of Di Barwell was mentioned and Sandra will be sending a personal message to her relative and will mention the SLPCS at the same time. Lesley Organ will keep Sandra informed of funeral information.

As at the June meeting to date we are unaware of any of our ladies catching Covid.

A zoom meeting will be held in February on a date yet to be agreed.
